

- *Encourage a consister*t daily routine for your child including playtime, nap time, and meal times.
- *Always supervise your child during activities to ensure safety and provide guidance.
- * Praise your child's efforts to boost their confidence and enjoyment in learning.
- *Take pictures of your child's artwork and send it to the teacher
- *Engage in these activities regularly to build a habit of learning.
- * Ensure that all activities are enjoyable and stress-free for your child.

Activities:
Colour Recognition:
Activity: Ask your child to find Red, Yellow and Blue colour "objects around the house.
Story Time:
Activity: Read a short story to your child every day.
Freehand Drawing:
Activity: Provide your child with crayons and paper to draw freely.
·
Outdoor Play:
Activity: Spend at least 30 minutes outside playing with balls, running, or exploring nature.
Water Play:
Activity: Fill a small tub with water and provide cups, spoons, and toys for water play. (Parents Should Supervise the Child Closely during water play to ensure their Safety) Music and Dance:
Activity: Play fun songs and dance with your child
Sensory Bins:

Activity: Create sensory bins with rice, beans, or sand and add small toys for exploration.

Enjoy the summer holidays with fun and learning!
